REMEMBER YESTERDAY

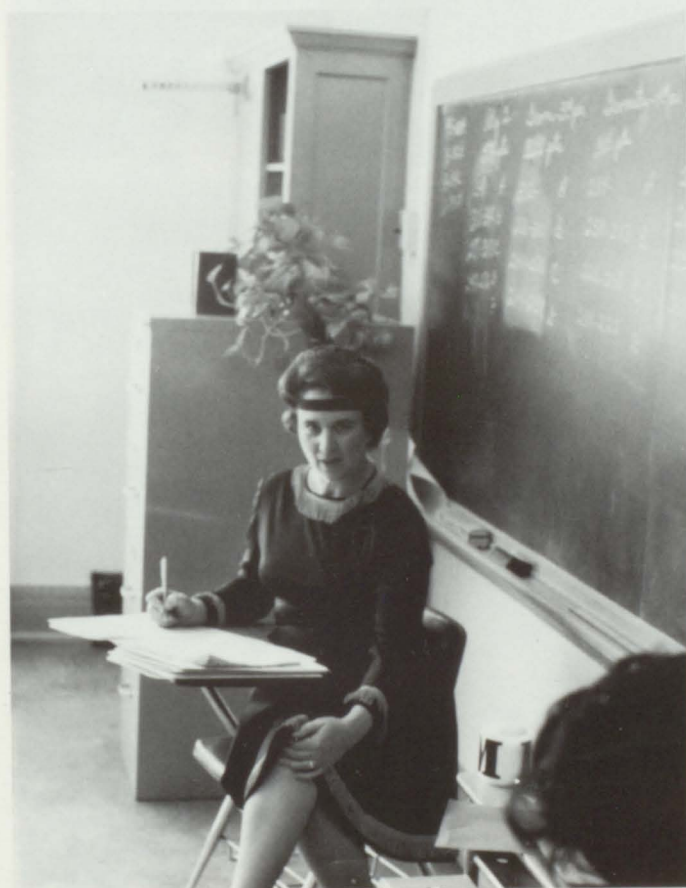

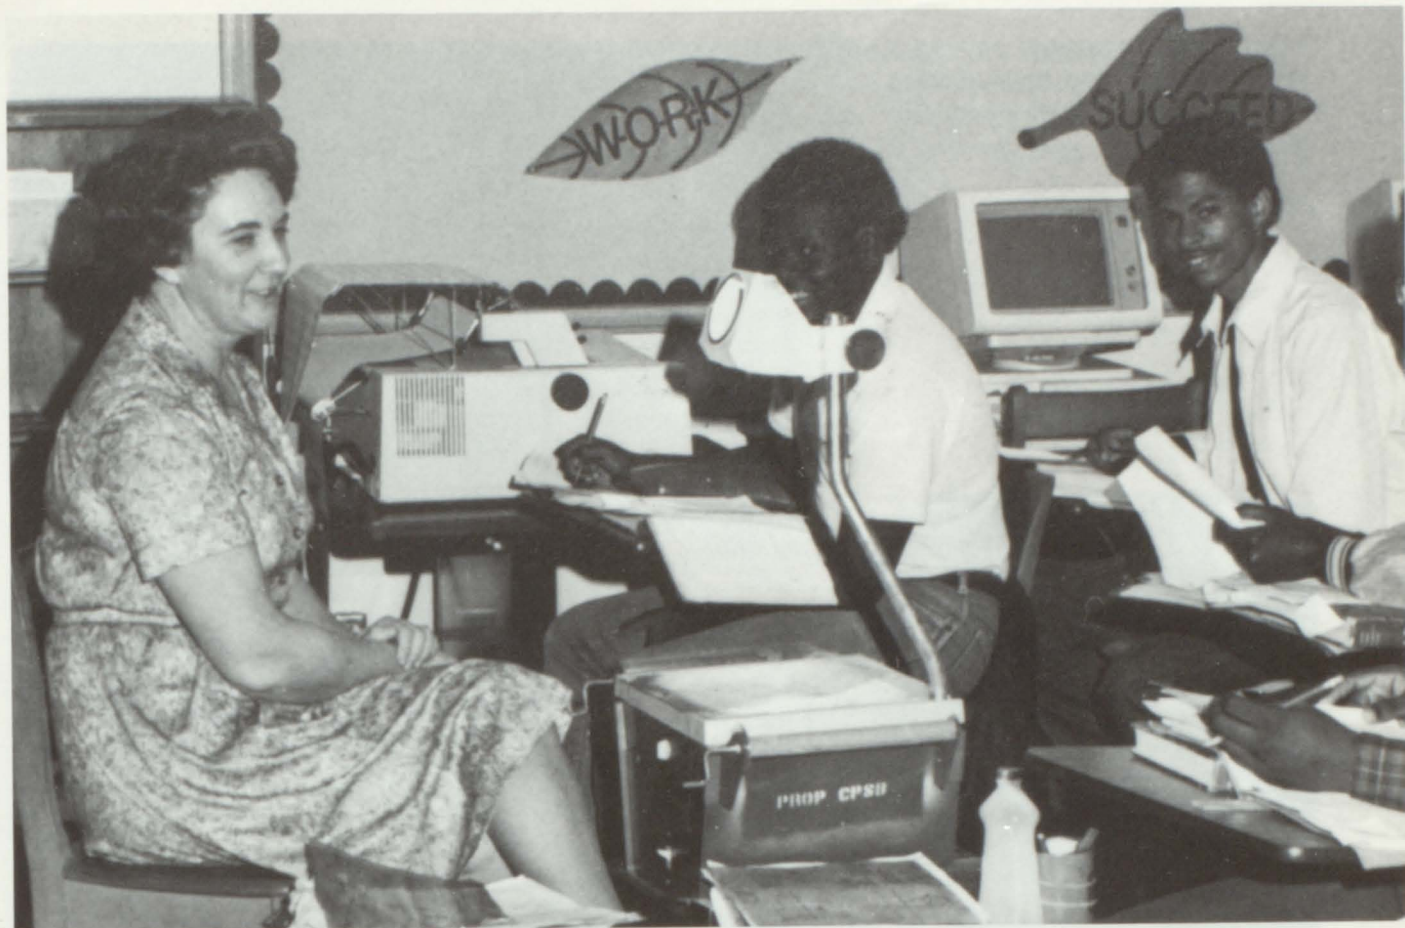

Students exhibit school spirit during pep rally, while building teepees, when checking in or out and when studying in the library.

Hats off to Ms. Patricia Fox, a very supportive faculty member. Pat, a mathematics teacher really makes pow wow with those numbers.

Students reporting to class
striving to enhance their abilities
for themselves as well as for the
school.

An Indian on the warpath

High spirited steppers and musicians of the band prepare to jam as part of the traditional pep rally activities. Coach and students say "All the Way Indians."

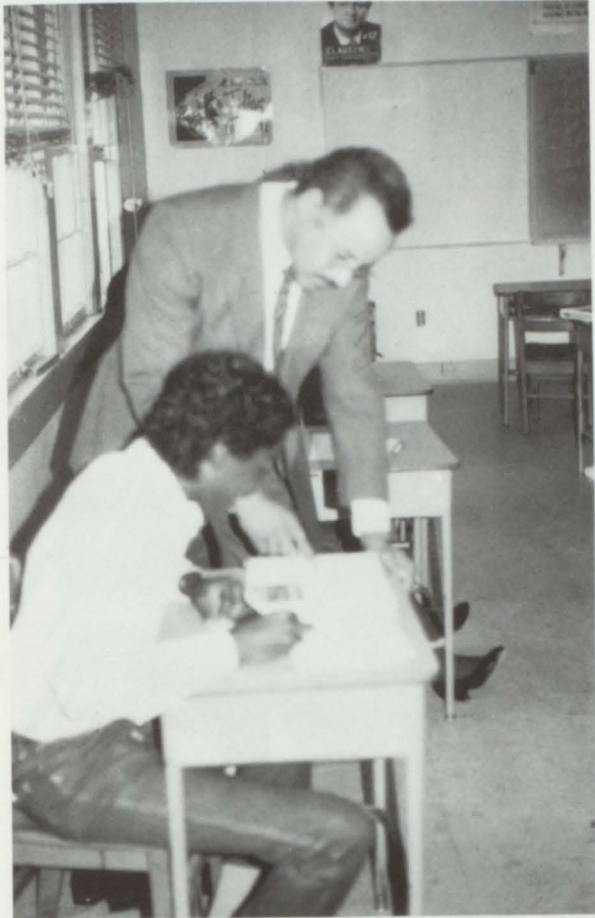

REMEMBER YESTERDAY

LIVE TODAY

Students in James White's class prepare for work. The awareness that work is life is their motto.

Faculty members at Fair Park High School work diligently with the students and share the school spirit with them.

A SALUTE TO THE 1984 BEAUTIES

1984

Jeffrey Garner, a big Indian to be remembered. Lady Indians tangle with the Raiders and the cheerleaders perfect performance.

Homecoming Queen of 1984 Terri Maye with escort, Wendell Davis.

Another busy day.

Demonstrations establish purposes for efficient skills to upgrade students performance in the classroom.

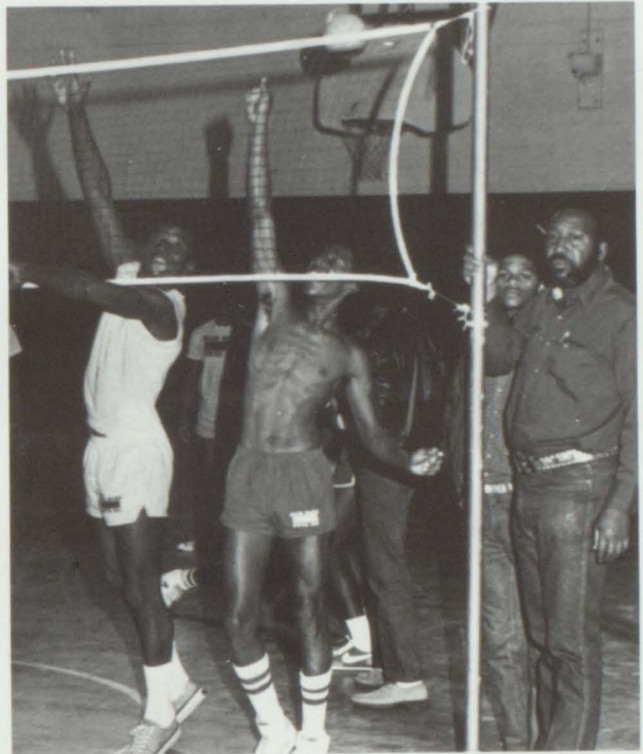

Channels of communications continue to exist among teachers and students.

Instinct, foresight and sensitivity marks positive and productive actions by teachers and students.

Details requiring skills, understanding and organization provide a variety of activities for students.

... And so it was with this school year at Fair Park High School, that our students acquired vast knowledge and entertainment.

Fair Park High School cafeteria and custodial staff perform in normal job expectations.

Do you need a reason to join the Louisiana National Guard?

Well, here are some very good incentives —

FREE COLLEGE TUITION:

State law provides exemption from tuition payments in all state supported Colleges in Louisiana for all active members of the Louisiana National Guard. This exemption may be claimed for five (5) separate years or until receipt of a bachelor's degree, whichever occurs first.

\$2,000.00 ENLISTMENT BONUS

or

\$4000 IN EDUCATIONAL ASSISTANCE

High school seniors and graduates who enlist in certain National Guard units may receive a \$2000 enlistment bonus, or \$4000 in educational assistance.

SPLIT TRAINING PROGRAM

Split training means that your Basic Training and Advanced and Individual Training in the National Guard (which must be completed within a twelve (12) month time frame) can be staggered to fit your personal schedule.

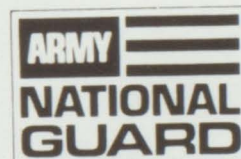

For example, you can take Basic Training the summer of your junior year. Consider it a paid full-time summer job. During your senior year of high school, you will go to the monthly National Guard meetings. Consider it a paid part-time job. Then you can take your Advanced Individual Training the next summer, be paid for that too, and be home in time to attend college, business or vocational school in September. That's two summers of full-time employment, and two years of part-time employment.
